BRIEF SUMMARY

I am a recent Computer Science B.E. graduate and a passionate developer with hands-on experience in web and software development. Over the past 2 years, I have led various projects and built a strong foundation in programming. I enjoy solving real-world problems through tech and love learning new tools along the way. I am now looking for an entry-level role where I can grow, work with a great team, and build meaningful solutions.

EDUCATION

Chandigarh University, Mohali, Punjab   B.E - Computer Science and Engineering
Sept, 2021 - June, 2025   *CGPA: 7.06*

Rastra Nirman+2 High School   BSEB (Intermediate)
Jul, 2020 - June, 2021   *Percentage: 76.6%*

R.P.S School   CBSE (Matriculation)
Jul, 2018 - March, 2019   *Percentage: 62.6%*

TECHNICAL SKILLS

Frontend: React.js, Tailwind CSS, HTML5, CSS3.

Languages: JavaScript, Python, C/C++.

Backend: Node.js, REST APIs, MongoDB, MySQL.

Tools & Platforms: Postman, GitHub, Netlify, VS code.

PROJECT

Web Motion
Frontend Developer   *July- 2025*
· Developed an interactive and visually rich web page using HTML, CSS, and vanilla JavaScript, featuring smooth cursor animations and dynamic hover effects for an engaging user experience.
· Implemented animation logic using *requestAnimationFrame* and CSS transitions to create fluid motion and responsive design without relying on external libraries.

Fit-Track
Frontend Developer   *April- 2025*
· Developed a responsive fitness tracking web app using React and Vite, enabling users to visualize their fitness progress interactively.
· Integrated data visualization charts to display user statistics and performance trends in real time.

SkillBook
Full-stack Developer   *Oct - 2024*
· Developed a full-stack skill-sharing web application using the MERN stack, enabling users to create profiles, share skills, and connect with others.
· Created a responsive and modern UI using React, Vite, and Tailwind CSS, ensuring smooth performance and user experience.

ACCOMPLISHMENTS

- Front-End Web Development with React – (Coursera).
- Introduction to Programming in C – (NPTEL).

HOBBIES

- Sketch, Cricket, Workout, Travelling, Video Editing.
